Winter/Spring

February 11 - May 1, 2020

## What is The Flagship Program?

### MISSION STATEMENT

The Flagship Program is a community-school partnership that enhances the social, academic, cultural and physical achievement of Missoula's youth by creating opportunities that help them to succeed and grow to become healthy and productive adults.

### VISION STATEMENT

The Flagship Program aspires to develop a community of engaged citizens through healthy relationships and transformative experiences.

**FLAGSHIP is FREE for all Hellgate High School families.** As a school based program, Flagship aligns with school day expectations on behavior and safety. As a program we have designed our own policies and procedures to meet these school day expectations. If your child has ongoing inappropriate misbehaviors a reflection and discipline referral form will be given.

### How do I sign up for Flagship?

#### **Priority placement is February 7, 2020.**

1. Review the activities available in the brochure and determine which activities are of interest to your child and fit well with your schedule.
2. Complete the attached sign-up sheet and return to your child's teacher, Arza Hammond, Youth Development Coordinator.
3. Confirmation and permission forms will be sent home with your child to let you know what classes they are registered for. *Your child may not be registered for every class you list.*
4. Your child will be expected to attend all the activities that he/she is registered for. Many classes fill up quickly. Please respect there may be waiting lists for classes.
